- Unit Length: 2.2 Meter/7.2 Feet
- Weight: 2 oz
- One (1) year warranty

How to connect to smart phones and tablets:

Note: Please make sure that your device has the same type of USB-C connectors. The best way is to compare your charging cable connector that comes with your device to make sure it is a USB-C connector.

Please follow steps below:

How to connect to computer:

Connect the USB-C connector to your computer USB-C port and the DisplayPort side of the Adapter to your DisplayPort cable that is connected to your monitor.

Please make sure that you select the correct port from your projector, TV or your display INPUT so that your computer display can be shown.
